

# WE DID IT!

## 49 HOURS & 20 MINUTES

### BLITZ BUILD NIAGARA 2010 TWO ASSOCIATIONS - ONE GREAT CAUSE!

The Niagara Construction Association and the Niagara Home Builders' Association thank our Trades, Suppliers, and Supporters for their contribution and efforts in achieving our goal of two Associations working together to build a home in one weekend on Frazer Street in Welland and donating the home that same weekend to Habitat for Humanity Niagara. It was incredible! We changed the lives of a family and we truly appreciate your generosity.
